2016-2017 Webinars

***All Webinars will be held at 3 PM EST (Subject to Change)

November 30th, 2016 - Nutrition Support in the Complex Critically Ill Patient
Stephanie Dobak, MS RD LDN CNSC
Clinical Dietitian Specialist, Thomas Jefferson University Hospitals

Please join us November 30th, 2016 for our webinar “Nutrition Support for the Complex, Critically Ill Patient” led by Stephanie Dobak MS, RD, LDN, CNSC. Therapeutic hypothermia, extracorporeal membrane oxygenation (ECMO) and continuous venovenous hemodialysis (CVVHD) are treatment modalities which often pose nutritional challenges. In this webinar, Stephanie will review the nutritional impact of these therapies, and provide nutrition support recommendations for complex cases.

January 18th, 2017 – Alternative lipids-implications for use in the adult population
Alyce Newton, MS RD LDN CNSC
